

THE HAMBURG SUMMIT:
CHINA MEETS EUROPE

2018

November 26 and 27
Hamburg, Germany

CHANGE OF DATE
Nov. 26 and 27, 2018

CHANGE OF DATE

THE “HAMBURG SUMMIT: CHINA MEETS EUROPE”

is a high-level, biennial business conference fostering Sino-European relations – an inspiring forum where global leaders meet to discuss topics of mutual interest. The next “Hamburg Summit” will take place on

NOVEMBER 26 AND 27, 2018,
HAMBURG CHAMBER OF COMMERCE,
HAMBURG, GERMANY

The “Hamburg Summit” was initiated by the Hamburg Chamber of Commerce in 2004. Today the “Hamburg Summit” is internationally recognised as the leading platform for business, political and academic leaders to discuss and improve the relations between China and Europe.

We invite you to expand your network and meet European and Chinese entrepreneurs, representatives from politics and diplomacy and partners for business in China and Europe.

Be part of the “Hamburg Summit: China meets Europe”!

CHANGE OF DATE
Nov. 26 and 27, 2018

The following topics will be addressed in panel discussions and keynote speeches during the conference by our high-level speakers from China and Europe:

Global geopolitical landscape

EU at a crossroads – consequences for world partners and international business

World economic order

China's changing economic landscape – defining new drivers of growth
EU-China investment cooperation – from record flows to reciprocity?
Trade relations between China, Europe and the US –
how to rebalance and strengthen global trade ties

Belt and Road Initiative

China's "Belt and Road Initiative" – opportunities and challenges for Sino-European economic relations

Challenges of digitalisation and artificial intelligence

Digital upgrade in manufacturing – on the track to "Made in China 2025" and "Industrie 4.0"

China's digital consumers –
understanding the preferences of Chinese online shoppers

Sustainable economic development

Pathways to a green future –
the rise of sustainable solutions for China's and Europe's economies

The future of mobility –
innovative concepts to move China and Europe forward
